# Dedication to a Friend

Q: When you take the athletic teams on trips, are you asked to help?

A: "Oh sure! I help coach first base in softball and I also help keep times for track."

Q: What do you think of cheerleaders?

A: "I like them."

Q: Have you ever gotten in trouble for your own cheering at games?

A: "I got the refs mad but there was no real trouble."

Q: Do you think that you have learned anything about sports from attending the matches and games?

A: "Being the most faithful spectator, I guess! No, seriously, I have learned a little something more about each sport, especially wrestling."

Q: Gerry, do you have any famous last words?

A: "Oh, golly, I don't know. I love to travel. I could go around the world in my bus."

On a clear day, May 30, 1978, two bright reporters interviewed the activity bus driver, Gerry Zablotsky.

Q: Why do you drive the bus?

A: "I had no early plans. I farmed for three years and then I was offered the job."

Q: How have prices changed OVER THE YEARS?

A: "Well in 1959, my bus cost \$4800 and this one that I'm driving now cost \$35000."

Q: When did you start driving the activity bus for Mountain View?

A: "I started in 1970."

Q: Do you like it?

A: "I love it, I especially enjoy working and being with kids."

Q: What made you start driving the activity bus?

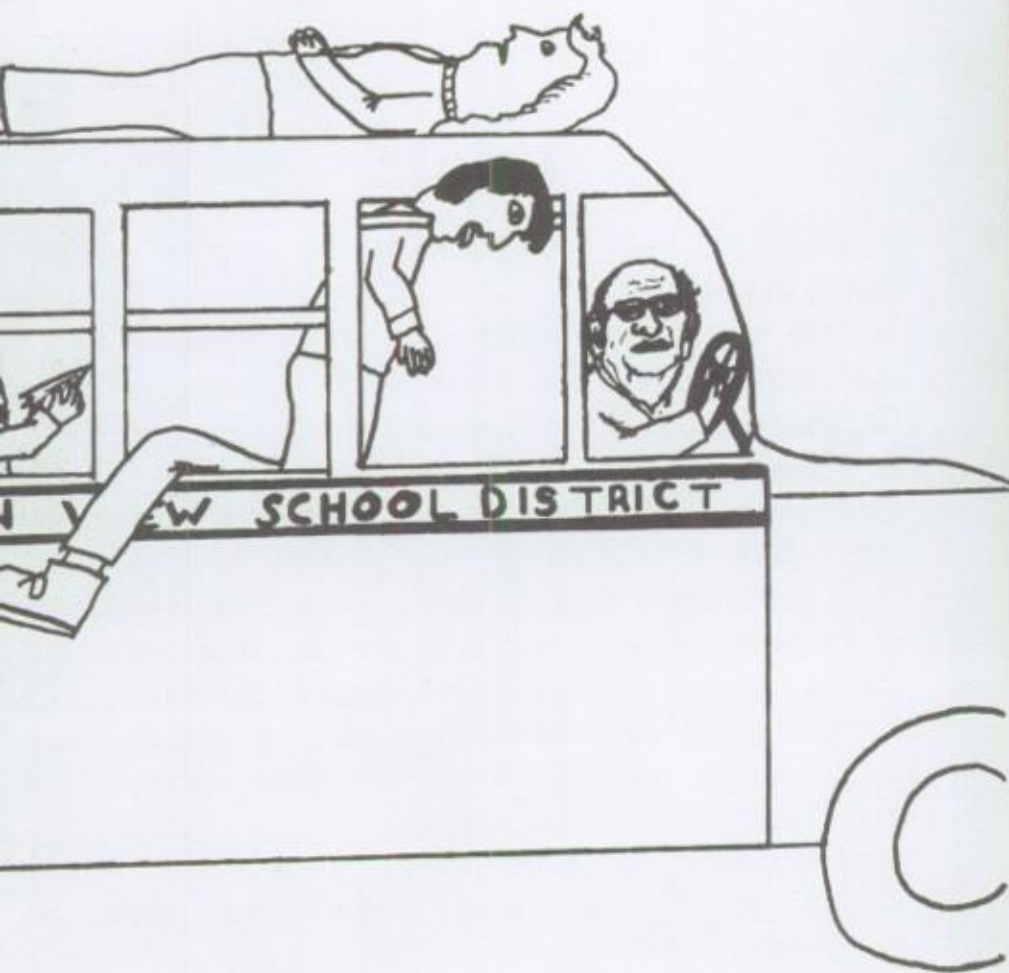

A: "It was an extra job, and I wouldn't give it up."

A: What do you do in the summer?

A: "I run the gas station and take the marching band on trips, church groups and different scout groups too."

**SENIORS:** L. Biesecker, P. Oakley, B. Roba, T. Gow, D. Alesky.

The varsity girls' basketball team ended this year's season with a 3-win 6-loss record. The junior varsity had a 0-win 9-loss record.

The records do not show, however, the potential these girls showed throughout the season.

The varsity team was made up of seven girls, five seniors, one junior and one sophomore. Through the season they fought to win many close games.

The junior varsity, made up of mostly first and second year girls, fought to win their games but just couldn't bring themselves together.

Even though the girls will suffer a setback by losing five seniors, next year they show much potential.

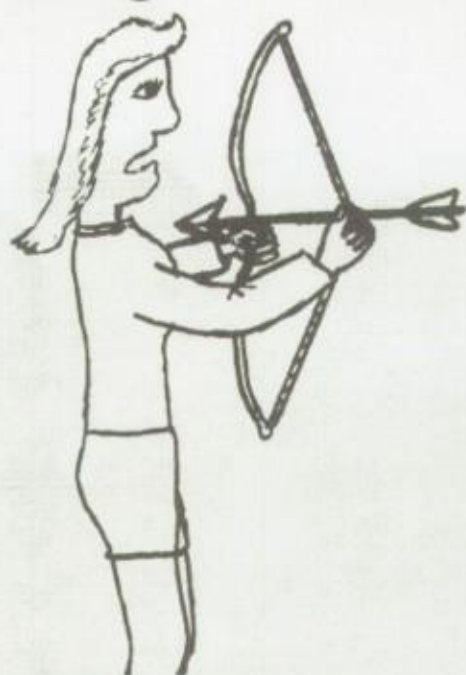

**Coach N. Slick:**

Pre-season comment: "If my girls play up to their potential, we'll have a winning season."

Post-season comment: "I can't say I wasn't disappointed with our record. We did accomplish many things, such as developing a strong team unity, and also finally realizing that we could win, and on any given night defeat anyone in the league. Although our J.V. record was poor, I feel we have laid a good foundation for coming seasons."

EAGLES are flying high.

Have a nice trip.

It's mine!!

Good position will getcha every time.

Hey Jim, tell John to stop biting his nails.

How do you (Coach) feel your season will go?

Before: "Great, great."

After: "They did a good job if the bad breaks didn't come our way. I'm really proud of them and they did a good job for me. It's been a pleasure to know a great bunch of guys."

The Eagles provided a lot of exciting games this season. They stopped Elk Lake's winning streak of 37 games at the Susq. County Tournament. The highlight of the season was the upset thriller over Montrose. Jim Burdick was top gun with Norman Breese as highest rebounder for the season.

The J.V. team gained much experience with many of the guys getting some varsity action. Ken Gardoski was high scorer and Eric Kolodinsky top rebounder.

So now what do I do?

Come on . . . what do you think we're playin tiddly winks?

So you're trying the old in the chin trick.

D. Brown, Lopatofsky, Decker, F. Crea

#### COACH ROGERS' QUOTES:

Before Season: "Should be very tough if injuries don't hurt us. We have two returning district champs and most have had varsity experience."

After Season: "Our record is 12-3, second behind Tunkhannock. Injuries did hurt us. We lost 2 out of 3 guys cuz of injuries. We had it pretty tough, but we have an excellent shot to take districts if everyone makes weight."

Mt. View wrestlers won four titles and carried the team to the district-12 wrestling title. Taking titles for the Eagles were Tim Weaver, 112; Tim Lopatofsky, 132; Matt Fornicola, 145; and Kenny Decker, 167.

SENIORS: Terri, Betty Lou, Lisa, Lisa, and Penny

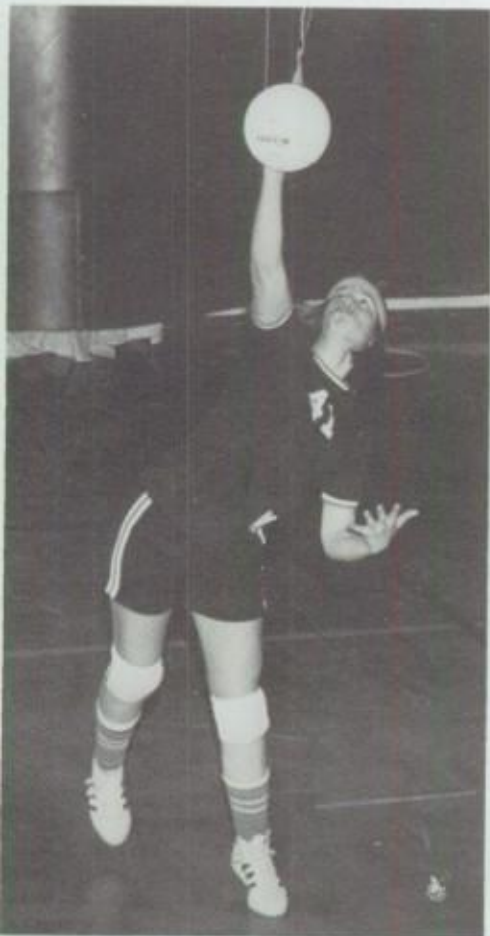

How do you feel your seasons going to go?  
 Pre-season: "We have a lot of potential and a lot of talent. We've got a lot of returning players and the newcomers are showing good improvement. My forecast for the season looks pretty good."  
 After: "We went into a slump with a tremendous victory to end the season. We are losing some precious power when our Seniors leave but the upcoming underclassmen have great ability."

Just what we like, a calm coach.

Q. How do you feel your season is going to go?  
 A. I think that it is going to be a better season than a lot of people thought, because we lost five starters last year. A lot of the boys are coming along better than I expected, but you only win games with determination. So the season will depend on the determination of the boys.  
 Q. How has your season been as far as you can see?  
 A. Mediocre compared to the talent we had. We did have some bright spots though, excellent 9th graders, and we posted a winning record. We played well at the end of the season, winning 5 of our last 6 including 2nd place in our own tournament.

How do you feel your season went?  
 "Really good! It was an enlightening experience. I don't think you say we were embarrassed in our season. We will end with 3 wins. This is more than a M.V. team has won in more than 15 years. There has been improvement. We're young and everybody will be back next year and if everything goes right, we could possibly obtain a district title for next year."

# Graduation 1978

It is now the year 2002. The Mountain View Jail is being torn down. As the Lieutenant looks through the files he comes across the year 1978. A whole class? Oh, I've heard of these guys, they were all crazy!! He begins to read . . . Bonnie and Clyde, alais **Betty Roba** and **Kenny Tompkins**, have robbed another bank, this one in Hop Bottom. The banker, **Michael Weigel** wants them found, dead or alive. The detectives on the case (an entire case?) **Bill O'Dell**, **Bart Morales**, and **Brian VanLuvanee** seem to have forgotten about it. On their way to Hop Bottom they ran into Charlie's Angels **Donna Demmer**, **Robin Belcher**, and **Sandy Oakley** and flew with them to the Bahamas to get married. Meanwhile **Bosley**, **John Carr** and **Charlie**, **Dennis Griffis** are looking for new angels. Some good prospects are **Edna Williams**, **Ada Jean Osterhout**, and **Cynthia Hendrycy**.

**Dennis Brown**, **Jim Burdick**, **Frank Crea**, **Carl Decker**, **John Kacsits**, **Dean Mack**, **Jim Schaefer**, and **Tim Lopatofsky** were arrested and prosecuted for the gorwing of "weird looking plants". After experts **Deber Skumanick**, **Danel Harvey**, and **Gerry Shinn** inspected and observed the plants they discovered it was only oregano. **Dan Litoski**, gourmet chef of the jail, kept the plants for seasoning.

**Sue Schweppenheiser**, **Mary Rogan**, and **Kathy Thomas**, tried beating the system again and finally succeeded. After stealing **Toni Lavick's** pizza truck they escaped on a flight to Columbia.

**Donna Morgan**, the newswoman, was kidnapped by **Norm Breese** and **Ken Decker** who pleaded innocent. Their attorney, **Scott Edwards**, said "they only borrowed her for awhile." The judge, **Darryl Matulevich** gave them 3-5 years in a county jail. Also sentenced that day was **Debbie Cosklo** who was found guilty of robbing the cradle and was given 10 years in jail.

**Kenny Lesinski**, head of the Liquor Control Board, was prosecuted for a misuse of kool-aid. Officer **Steven Taylor**, insists it is illegal to let kool-aid ferment.

The new singing group "Quasi's Queens" **Diane Alesky**, **Lisa Biesecker** and **Terri Gow** are now in hiding. Snipers, **Joe Diddick** and **David Depew**, have been shooting at them. Their act is now full of holes.

**Penny Oakley**, President of a new cheese company, has been arrested for not paying her taxes. Seems her secretary, **Silvia Rodrigues** took the money and ran, back to Brazil.

**Lotta Baker**, **Denise Carpenetti**, **Diane Pickering**, and **Donna Sabucaka** were found guilty of bootlegging in the back hills of Nicholson. The jury, **Sheri Kenyon**, **Maryann Opeil**, **Theresa Baron** and **Gary Hannigan** showed no sympathy for their defendents.

**Natalie Handwerk** and **Mark Klim** were caught by the head of the C.I.A., **Stanley Kaminsky** while trying to place a new type of bug in the White House. How'd they get caught? The bug kept crawling away. The president of the United States, **Terri Decker**, says she will press charges to the highest degree. Meanwhile Pres. Decker went to Canada to meet with Canada's Prime Minister. **David Gregory** to discuss recent moose killings. It seems **Lisa Fornicola** loves to wrestle moose and ends up beating them. Game wardens, **Donna Appleman** and **Yvonne Jennings** are worried about moose survival. Conservationist, **Gary Kilmer** says moose are no longer friendly, they just kick him in the neck. Fornicola will go on trial next week.

Doctor **Jim Pulice**, M.D., is being sued in a malprictice suit. **Betty Lou DeLuca**, his nurse administered **Alane Horton** a wrong drug. Horton is now resting in a sanitarium.

After nine kids, **Darren Hartwick** and **Darleen Bean** are now undergoing another marriage. The priest who first married them, **Ken Gelatt** was never a priest. He is being tried for impersonating a clergyman.

**Richard Barnard** and **Bill Choplosky** are being sued for surgical malpractice. **Darleen Conrad** insists it was their fault her tree went bald and died.

**Lorraine Corey** foreclosed a mortgage on R.&R. Davis' Food Mill. **Roxanne** and **Rodney Davis** went bankrupt when **John Gordan's** cows got loose and ate all the feed. Gordan then split the country.

Aunt Sam's Massage Salon, run by **Sandy Kesten**, was raided. Arresting officers, **Sandy Gumpert**, **Bart Gerald**, and **Rosemary Karnak** say messeurs **Vicky Taylor** and **Rhonda Estabrook** were giving free donuts and coffee with every rub.

In the battle of the sexes, **Tammy Kaminski** and **Dennis Latwinski**, failed to fight. Seems the two fighters fell over the rope stepping into the ring and are still now unconscious. The judges, **Julie Rhodes** and **John Lepre** were both unconcerned about the incident as they were both otherwise occupied.

Two street gangs, the Whities, **Bill Lepienis**, **Eugene Manzer**, and **David Matichak** fought the Rednecks, **Steve Mikoliche**, **John Walker**, and **John Wierzbecki**. The cause of the fight was because the Pussycats, **Debbie Lopatofsky**, **Karen McDonald** and **Dixie Pratt**, couldn't decide who they wanted to stay with. All were put in jail on an overnight stay.

The king and queen of the Bermuda Triangle, **Maryann Hrichuk** and **Jim Mihalick** were caught sucking up various objects from the air and seas. **Sandy Ransom**, **Jackie Saam** and **Cindy Ressiguie**, members of the court were also caught "in the act". The Supreme judge found them guilty and made them blow everything back into its proper place.

**Marian Taylor** and company, **Lisa Vanderspeigel**, **James Tompkins**, **Rich Venne**, and **Tom Zilleson** seems after ten years of making counterfeit money were finally caught when Vanderspeigel paid for a car in 10,000 one dollar bills . . .

The Lieutenant slowly closes the files grinning, "WHAT A CLASS!!"

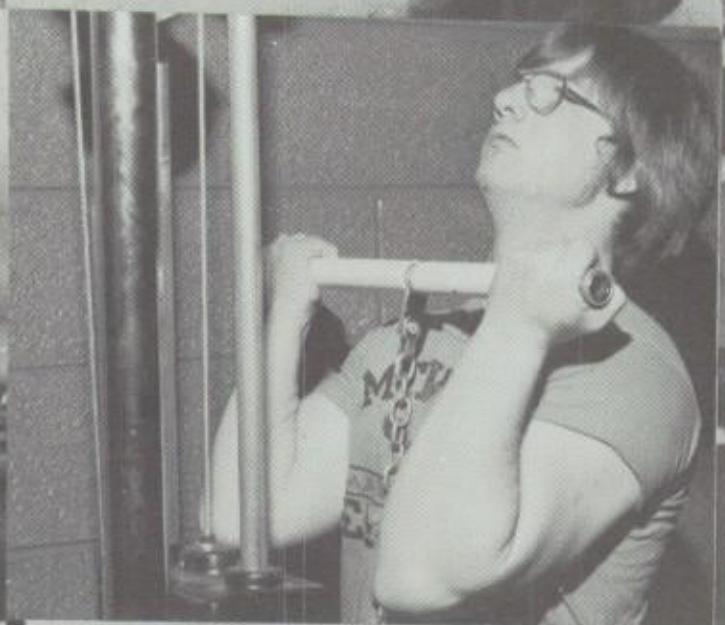

I, **DE DE ALESKY**, will my rabbit faces to John Carr and Scott Edwards just so they can try to explain it to Mr. DeLuca. I, **THERESA BARON**, will my ability to put up with "Hank" to Ann Rogers. These T.V., music and movie stars made headlines in 1978. Fleetwood Mac stunned the music world with their album "Rumors". Three's Company broke on to the horizon with a new format. Vader was the villain of the year, Charlie got a new angel and Luke and his cohorts rescued Princess Leia, Barbarino came down with "Saturday Night Fever" and a case of "Grease", Shaun became the tenniebopper idol, and Starsky and Hutch became the couple of the year. And that's the way it was in 1978.

# Faculty

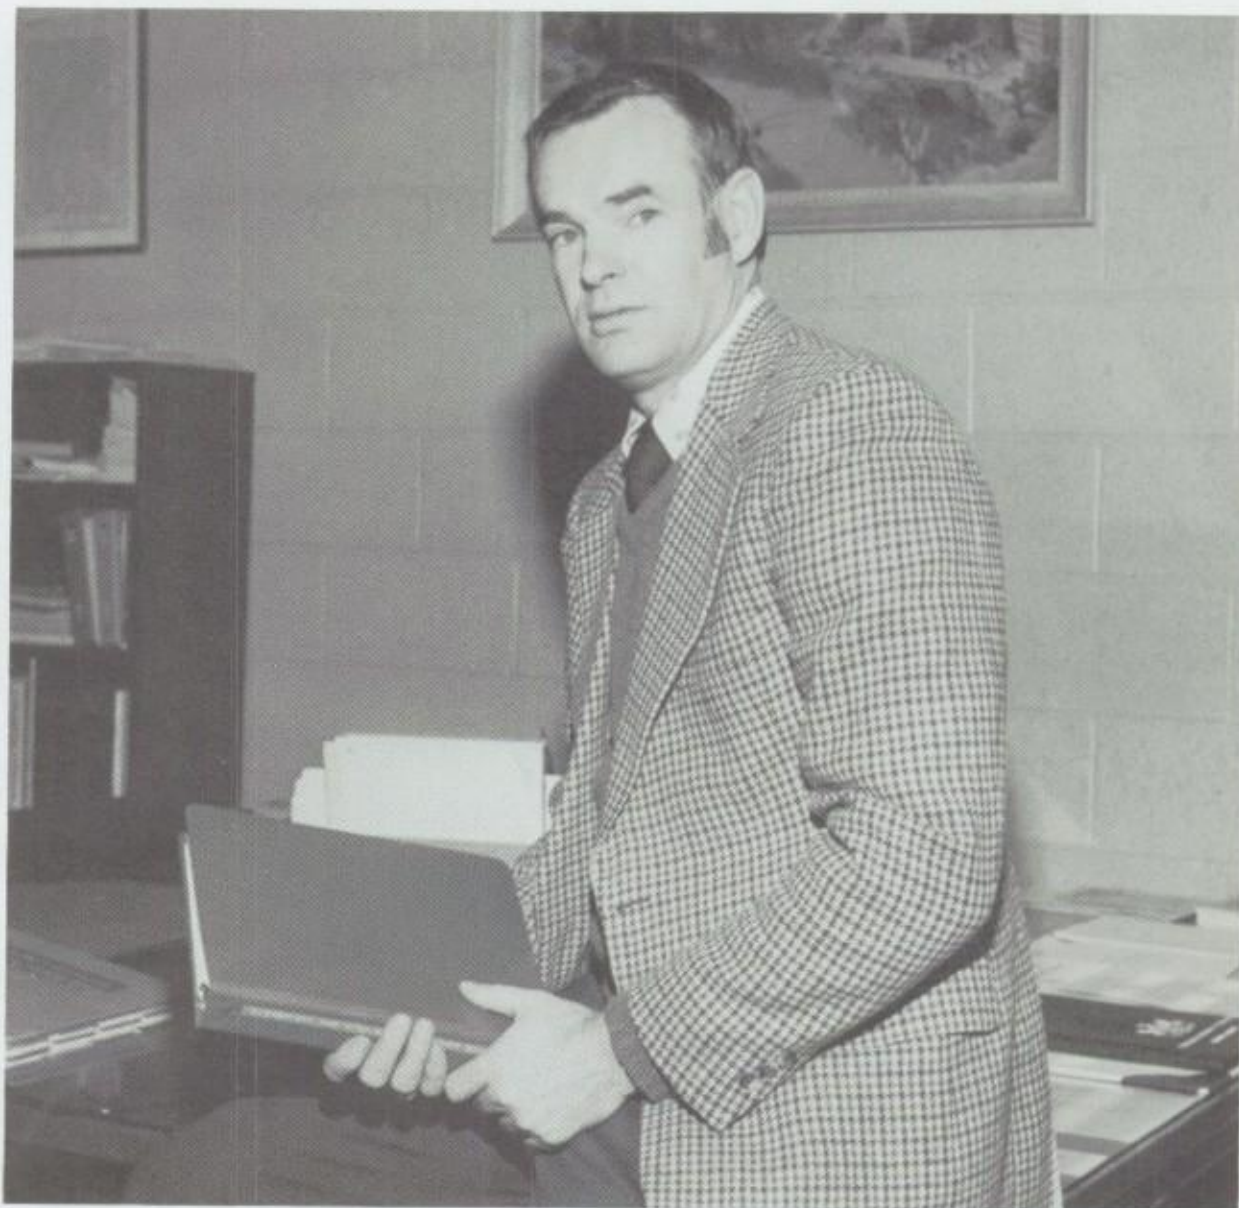

## Edward F. Brewer, Jr. Superintendent

I congratulate you, the Class of 1978, on your graduation from high school. It is my sincere hope that the knowledge you gained, the friendships you acquired and the activities you participated in during your school years will make your lives richer and fuller.

*Edward F. Brewer, Jr.*

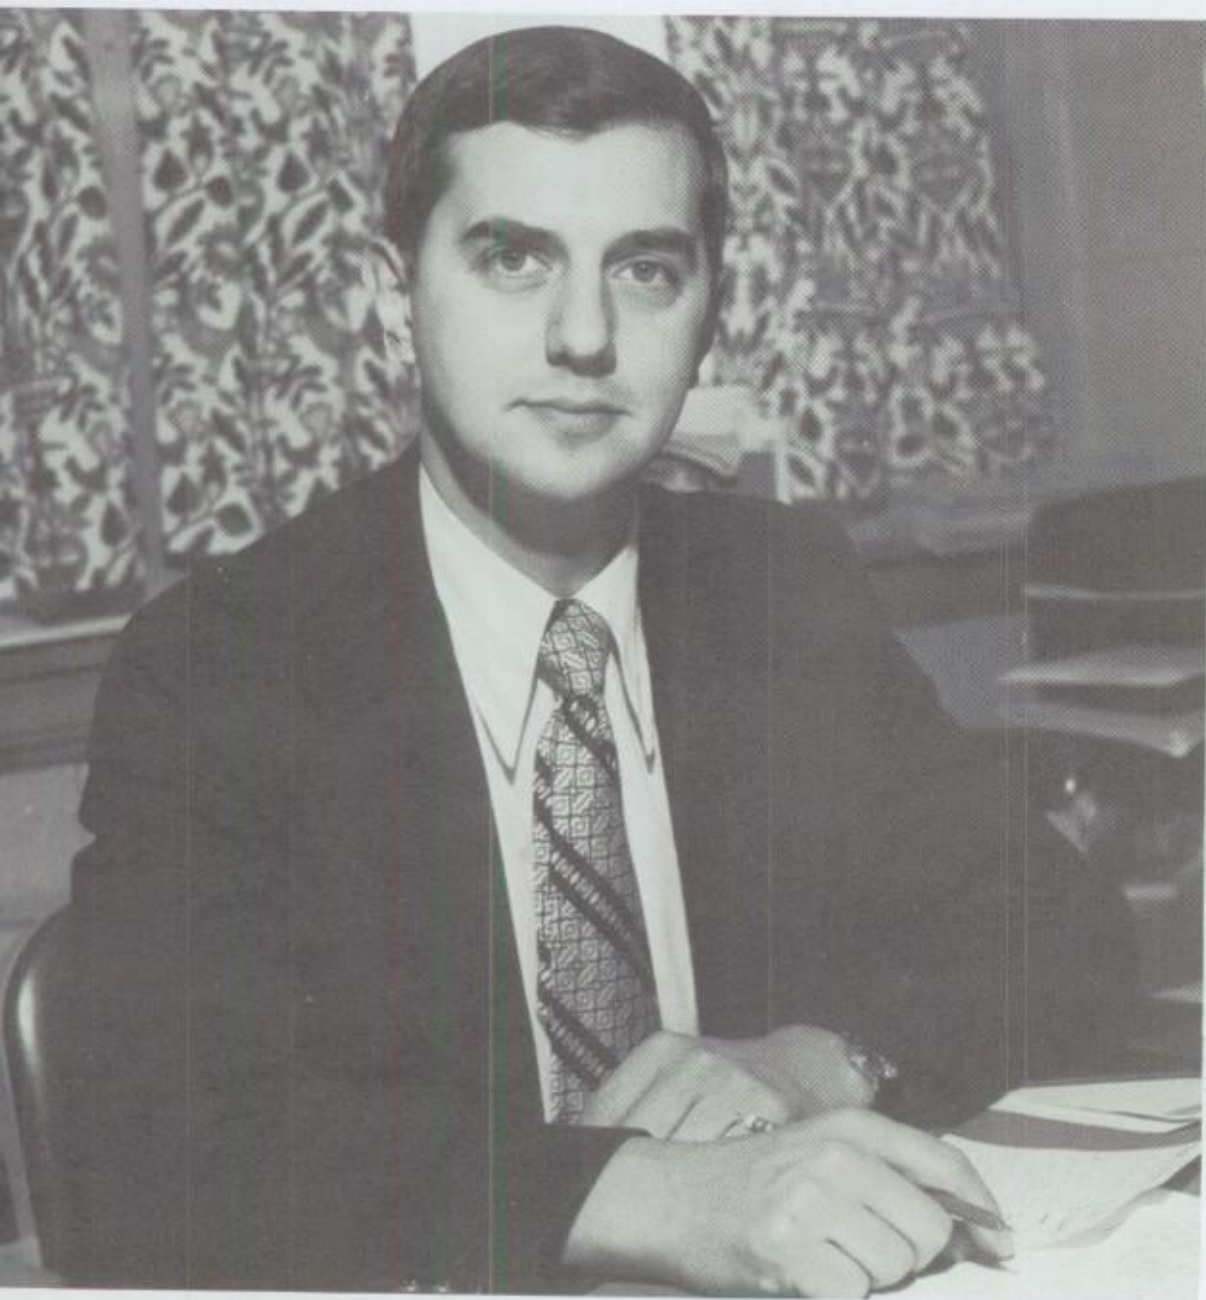

## James Neddoff Principal

Dear Seniors;  
I would like to extend my congratulations to the Mountain View High School Class of 1978, as they graduate and strive toward becoming independent citizens of our community.

The years ahead will bring many new challenges and opportunities, which I am sure you will meet and develop in a way that will help to improve society.

Ralph Waldo Emerson said, "The true test of civilization is, not the census, nor the size of cities, nor the corps . . . no but the kind of man (and woman) the country turns out." You stand as a symbol of the kind of men and women Mountain View turns out. Be worthy of the responsibility.

*James Neddoff*

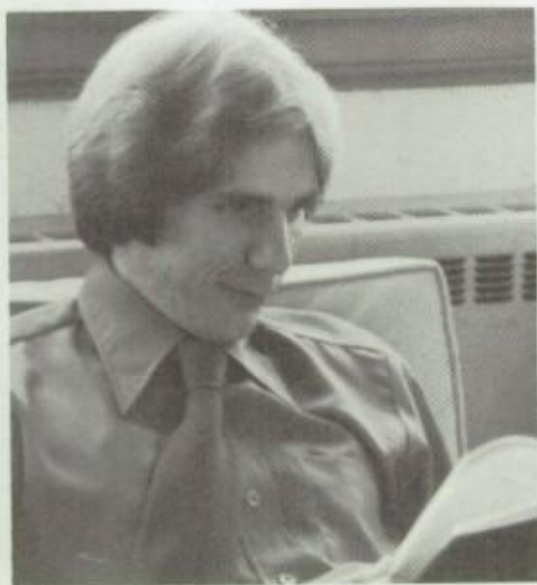

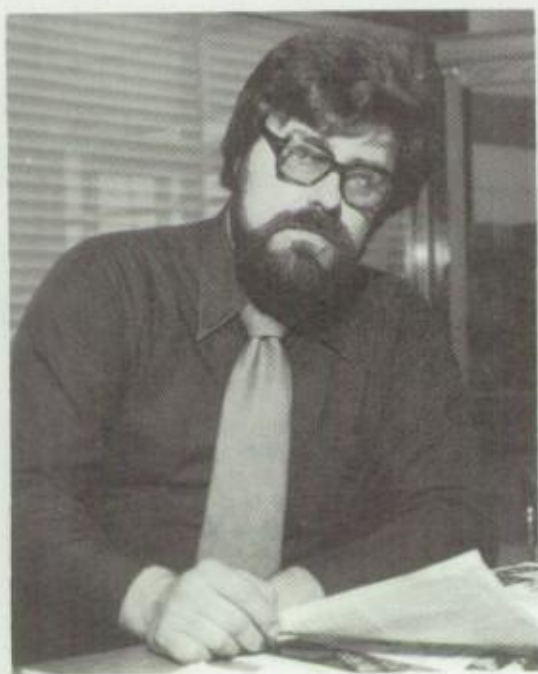

# How Do You Know You Are a Teacher?

## MR. BROWN:

"The school gives me a paycheck every week."

## MR. CANDELORI:

"Because I can boss people around."

## MR. CROUNSE:

"Because I can go into the faculty room without getting into trouble."

## MISS DELEO:

"The things that make me know that I am a teacher are: grade books, tests, compositions, blackboards, chalk, and erasers."

**MR. DELUCA:**

"When you see the accomplishment and change in the students and occasionally a student will come up and tell you."

**MRS. DEMCHAK:**

"When I see people in my classes learning something new for the first time."

**MR. GOERLITZ:**

"When I try to convey a message and it goes through."

**MR. HOLBROOK:**

"Respect."

**MISS JOHN:**

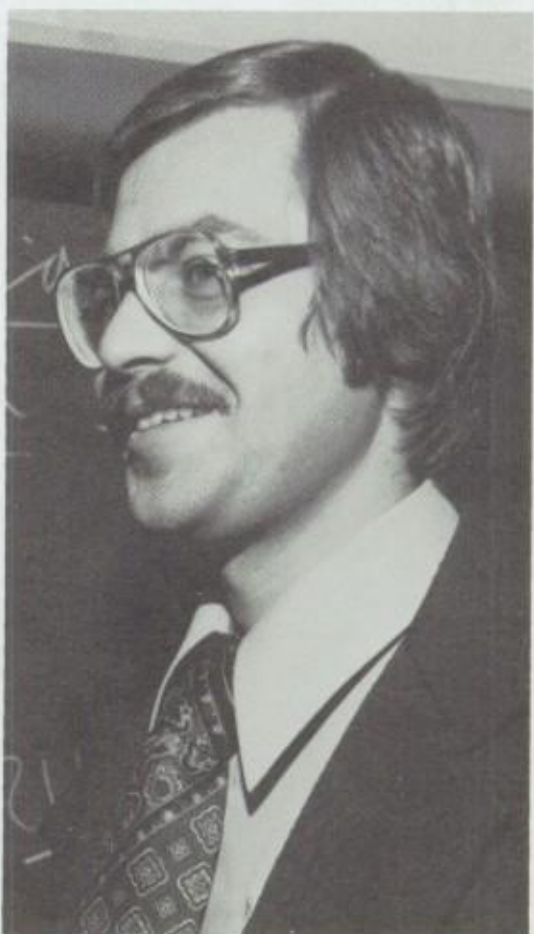

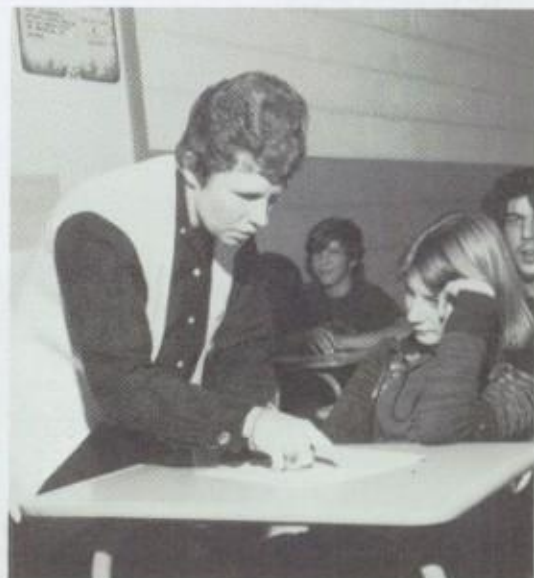

"I'm in school during the week in front of a class and working with a faculty staff."

**MR. JURBALA:**

"Because I like to help young people formulate their own opinions and value judgements."

"A true leader is one who guides them into formulating their own ideas with gradual guidance and understanding."

— Lao-tse

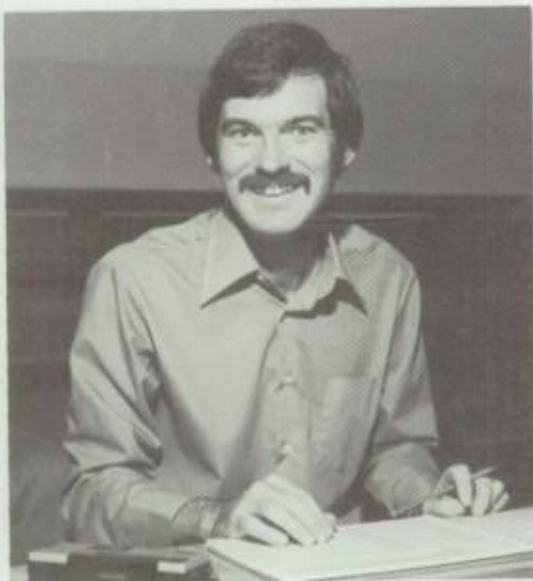

# How Do You Know You Are a Teacher?

## MR. KEHRLI:

"People come back and tell you what you've done for them."

## MR. KELLEHER:

"Because of the respect I receive and the learning situations that occur in school and because I have to dress up in a suit every Monday through Friday."

## MRS. KILKENNY:

"I've graduated from a school of nursing with a diploma."

## MRS. KRISA:

"Because I am constantly trying to teach people."

**MISS LALLY:**

"I am professionally trained to supply guidance services."

**MR. LEONARDO:**

"The fact that you see people who have been in your classes succeed, and the satisfaction you get from this."

**MR. McLAUGHLIN:**

"When I see an ex-student of mine teaching."

# How Do You Know You Are a Teacher?

**MRS. MENEELY:**

"By the fact that the students learn."

**MR. MICHAELS:**

"That's a good question. Sometimes I don't really know whether I am or not, because students come back to me after class and tell me what they learned about."

**MR. MORREALE:**

"I have a degree. I do see kids learning."

**MISS NOREIKA:**

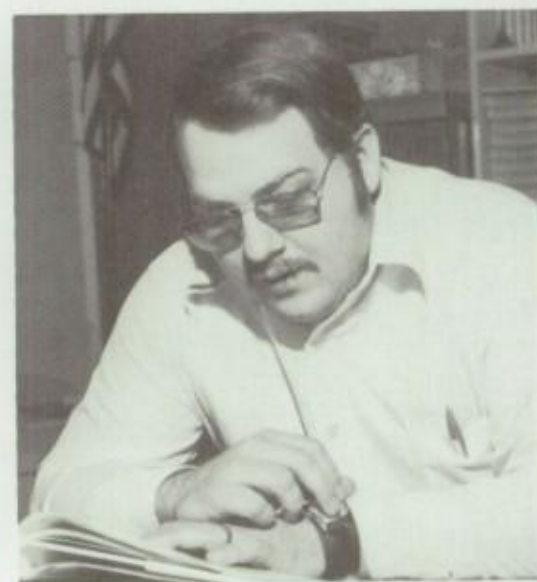

"Because I hear complaints all day."

**MISS OFRANE:**

"Because at the end of the day I am totally zonked, and when I hear people screaming, 'Mrs. O.' all day."

**MR. PASKO:**

"I don't really know but I try."

**MRS. PEASE:**

"Students are different from what they used to be. I can see that the students are learning."

**Miss Peters:**

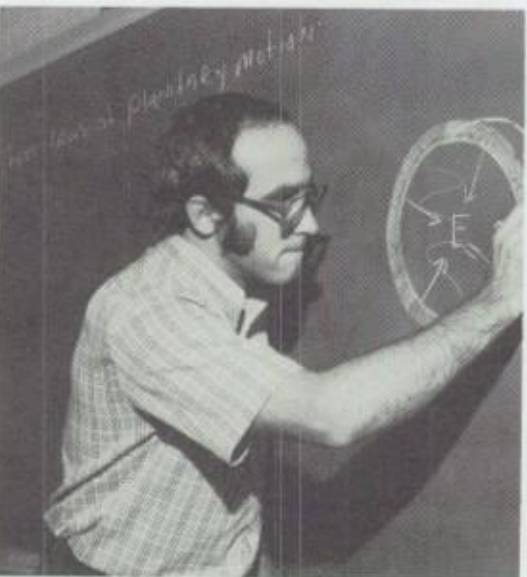

"I believe that I am a teacher because I can often sense this concept somewhat intuitively. When my students can discipline themselves to listen and to react intelligently to specific points of instruction, when they can identify basic concepts, when they can specify didactic benefits from literature selections, when they have a worthwhile pride in academic achievement — then I can acknowledge that we have shared in teaching and learning."

**MR. POPICK:**

"Because I see my students doing very good to excellent work."

**MR. ROGERS:**

"Instinct. It's an inner feeling that the kids are learning something and that you are accomplishing something."

**MR. SCOTT:**

"By the BOO's I receive when I walk down the hall. The school board appointed me as one."

**MRS. SLICK:**

"I know I am a teacher when a student shows by his work or actions that he has learned something."

# How Do You Know You Are a Teacher?

## MR. SLOCUM:

"There are a number of ways I know that I am a teacher. I realize it everyday when I have less hair to comb. I also know it everyday that I have to leave the fatigues on the hook and put on a tie. Sometimes I think I'm a teacher when I get a pay check. When I want to be sure, I take a peak at my certificate which says I'm a teacher. But the only time I'm positive is the nights I have 150 tests to correct."

## MR. TOMCYKOSKI:

"Because I'm dedicated to the development of education."

## MR. WAGNER:

"That's what they pay me for besides which I have diplomas and certificates which state me as such."

## MR. WARNER:

"Because I'm the biggest one in the class."

## Mrs. Wellman:

"Because I care about the kids in my class, I want them to learn what they need to learn so they can have fewer problems when they get out. I take all of their problems home with me."

**MRS. HOFFMAN:**

"I'm the one who's tired at the end of the day! I don't need a destination card and I can sit in the faculty room. I **know** that I am a teacher."

**MR. J. WAGNER:**

"I know that I'm a teacher when I see my students grow and mature; hopefully, as a result of something I've done."

**MR. KOVALESKI:**

"Everytime I make a payment on my 15,000 dollars of debt. Every morning at 8:45. Every morning when I start my Mercedes. Patter of little feet and voices yelling."

**MR. DZIEDZIC:**

"By the willingness I have to share other peoples problems and a desire to help them."

**MR. WOELKERS:**

"I get up at six o'clock in the morning to be surrounded by the kids I am trying to influence."

**MRS. DANIELS:**

"I know that I'm a teacher because I am a person."

**MR. SHAW:**

1. When my keys were issued and the big one said ZOO. 2. When it comes time to make my "Luv" payments. 3. Never I just joke it."

What a good game even though we are losing!!

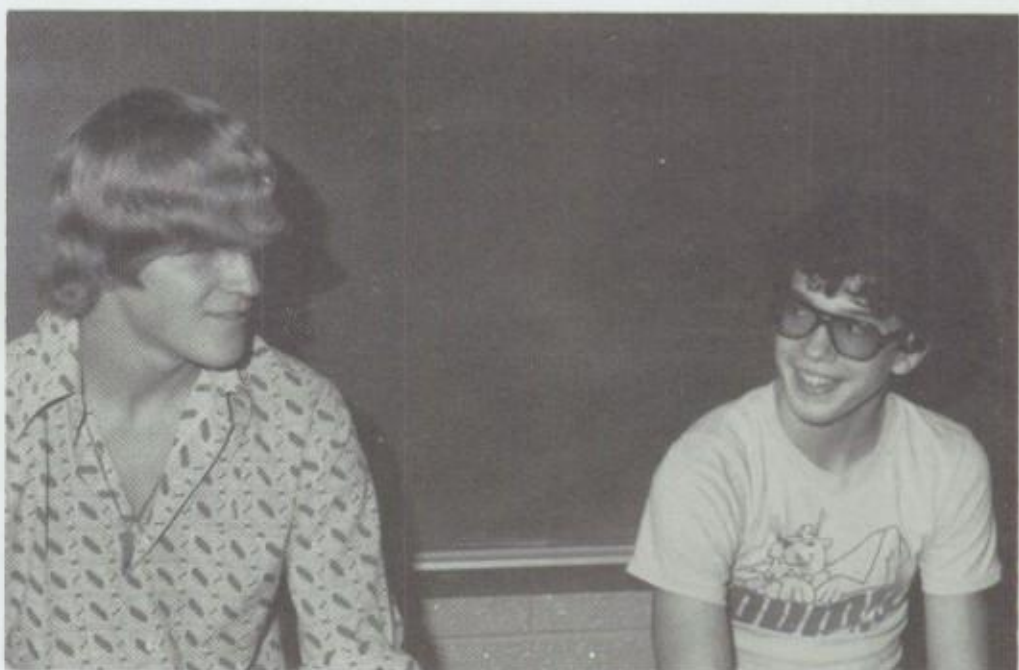

This is the man I love.

That's the third broken mirror today!

Party time!

You just keep your grubby little hands off of me or I'll tell the teacher.

Ah! The life of the bellhop.

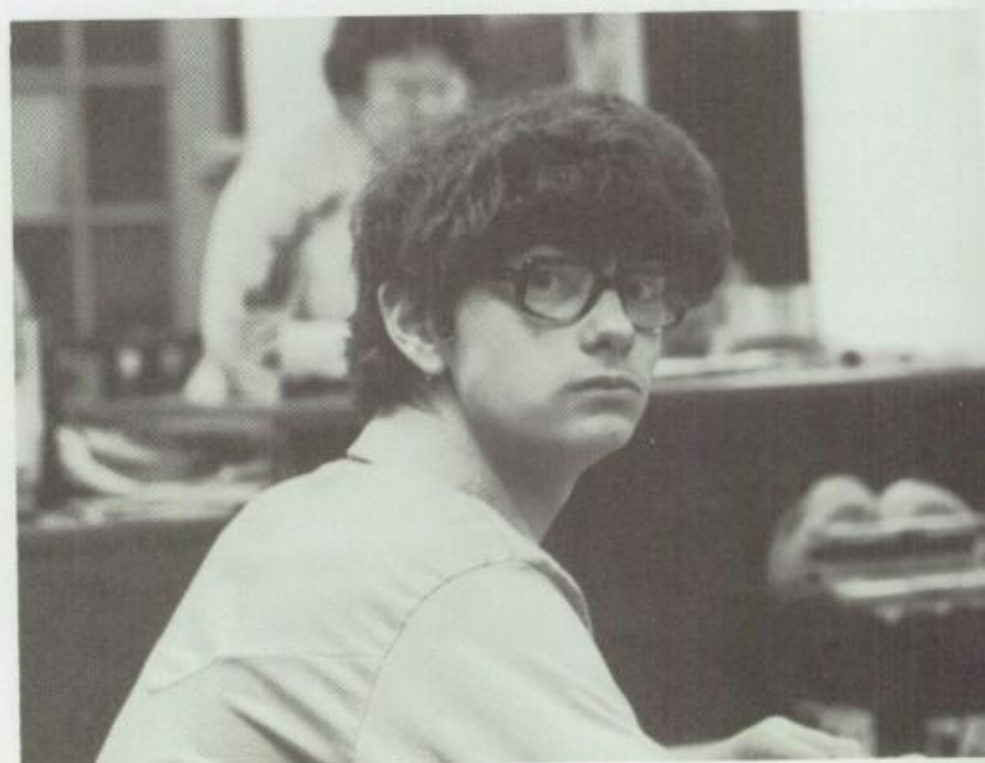

I just love these flouride treatments.

Why can't I use a pencil?

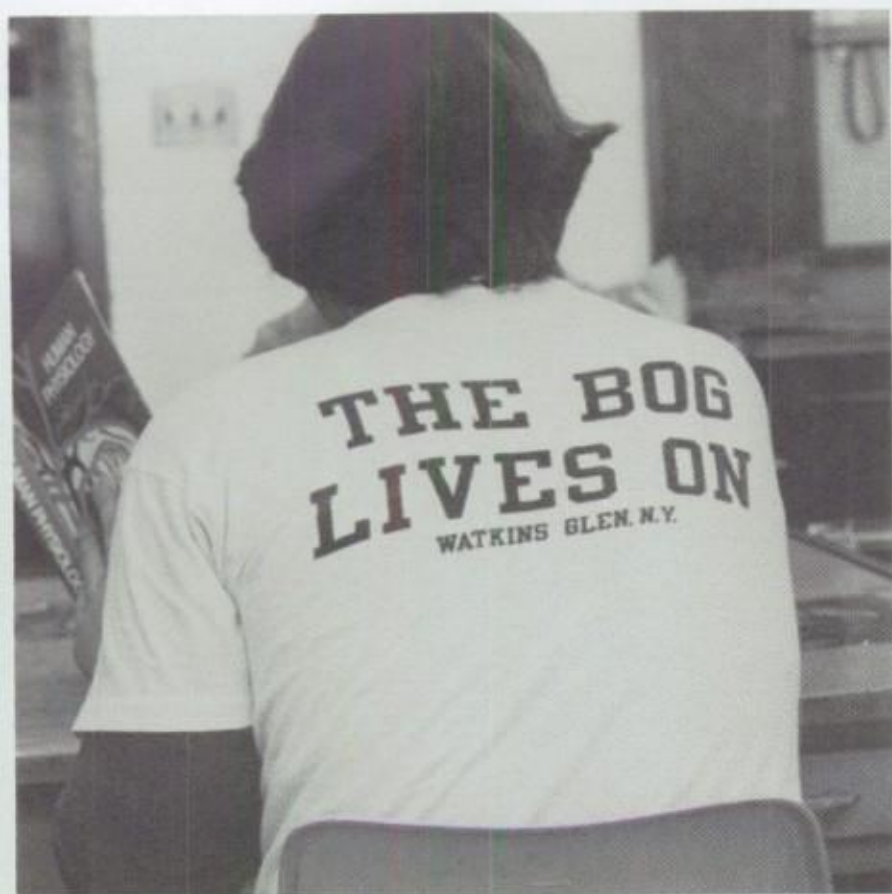

You say one word and you get sent to the back.

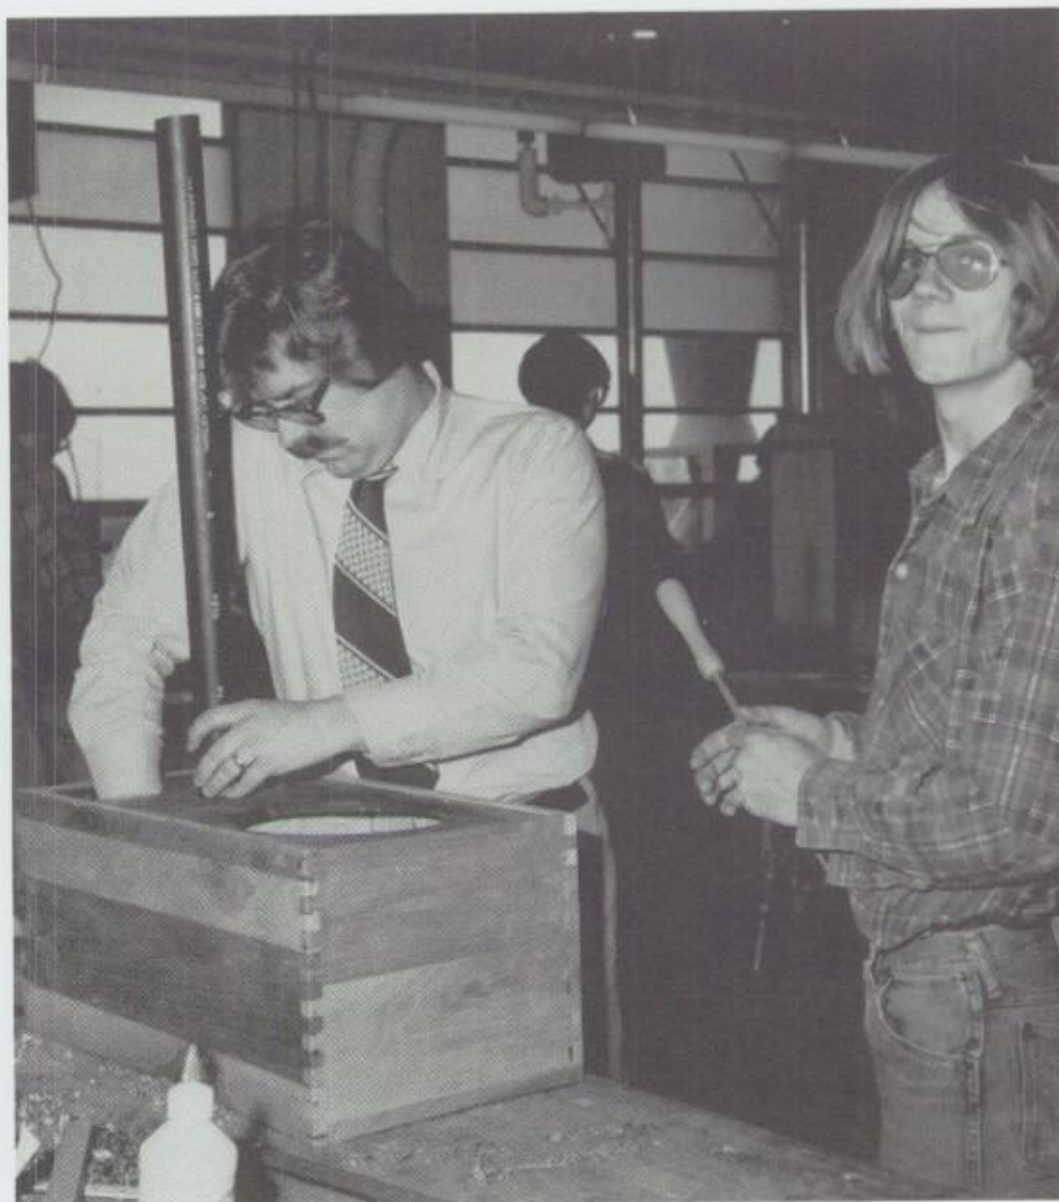

What did I do?

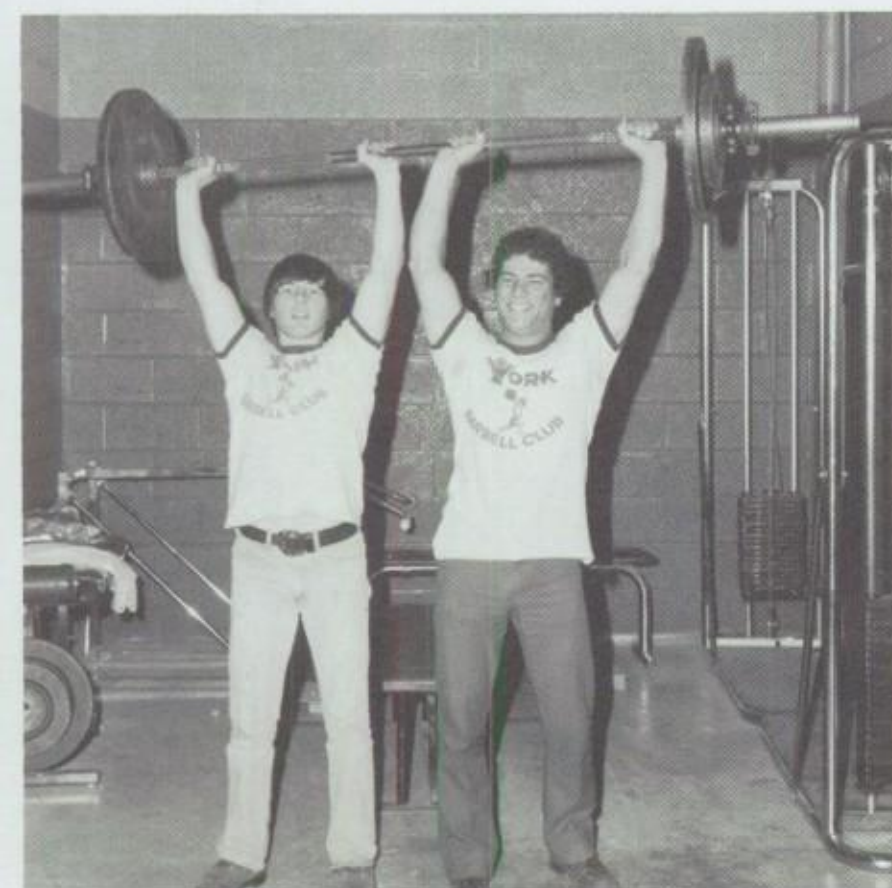

"King of the bog's"

"Maybe I'll hit him with it."

"What a motley crew!"

"Muscle heads."

Smile Beth you're on candid camera.
